

Valley of the Moon Scottish Fiddling School 2012

Application Information

Camp Dates: Friday afternoon, August 24 – Saturday morning, September 1, 2012

Priority postmark deadline is March 1, 2012. Up to six people may apply together on one application, in case you only want to attend if another specific person will be there. In that case, all the people on a given application would be accepted together. The primary contact person on your application, **who should also be an applicant**, will be notified of the acceptance results for everyone on the application within a couple of weeks of the application deadline. All primary contacts will be notified via email unless they cannot be reached by that means, so **be sure to set your email account so that any messages from vom@sonic.net will not be intercepted by spam filters.** If the number of applicants exceeds the camp capacity, a random drawing will be conducted to assign an order to the list of applicants. Those who are not accepted immediately will be placed on a waiting list. We expect to notify applicants of their status 2-3 weeks after the postmark deadline.

To facilitate communications, please use the back side of the application form to provide the contact information (mailing address, phone number and email address) for any additional people on your application who have an address that is different from yours.

Any applicants under the age of 18 must be accompanied by a parent or a guardian designated by a parent. Minors not accompanied by a parent must go through the application process together with their guardians. You will need to enter the name of the designated guardian on the application of any unaccompanied minor.

Please include a deposit of \$100 for each person on the application who is age 4 or over, and include the names of any children under 4 on the application. Applications to Valley of the Moon Scottish Fiddling School and Alasdair Fraser's Sierra Fiddle Camp are handled separately. You may apply to and attend both camps, if you are accepted. Your VOM deposit check will be cashed only when you are accepted into camp. If you do not get in by the time camp begins, or if you choose to withdraw from the waiting list, deposit checks will be destroyed, and money orders returned. Foreign applicants only may make payment of the deposit through PayPal if necessary. Please email us if you plan to use PayPal(vom@sonic.net), and we will send you instructions

There are no beginning classes in guitar or piano. Those classes are designed for people who are familiar with the instrument and can change chords with some degree of facility.

New Treetop Cabins

Camp Campbell has now opened its beautiful new Treetop Cabins, which will be used instead of the cabins in the Pueblo cluster, which we formerly used as the “quiet” side of camp. The camp will charge us more for these cabins, which have their own toilet and shower facilities, and many other amenities. To defray the additional charge, there will be a surcharge added to the basic fee, for those people who stay in the new Treetop Cabins. The surcharge will be added to your bill if you select Treetop housing and can be accommodated there.

The surcharges are as follows:

Adult (over age 12) Treetops Surcharge: \$145

Children (ages 4-12) Treetops Surcharge: \$75

Toddlers (under 4): No charge

There is no separate fee for attendees who do not attend classes; their fee is the same as that for those who do attend classes.

At the beginning of June, a letter containing directions to camp and other useful information will be sent to the primary contact person, along with a bill for the balance of the camp fees. The final payment due date will be **July 1**.

Cancellation Policy: Full refund of deposit for cancellation by **June 1**. There will be no deposit refund after that date, once you have accepted a space at camp.

Scholarships:

There is a scholarship program. To obtain information about the program and a scholarship application, go to the camp web site and select the “Scholarships” link (www.valleyofthemoon.org). Note that the **new deadline for receipt** of scholarship applications is **March 15**.
